FRENCH TRADITION: SAINT NICOLAS

In France, as in much of western Europe, St. Nicolas Day is a very popular holiday. The night of December 5, children put their shoes by the chimney or in a window sill. On the morning of December 6, they discover that St. Nicolas has left them goodies! These will often be oranges, candies, and small trinkets.

We will learn about St. Nicolas, as well as about Christmas, for these last weeks of French class.
